*Consult your operator's guide/owner's manual for proper tire type and rim sizing. Improper tire type and rim selection may affect vehicle handling. Check with your local authorities for proper regulations.

SPORT ROOF

Economy roof for protection against the elements. Thermoformed TPO construction. Can be assembled with Light Rack for Sport Roof (715001686 or 715001094).

715001679 | Black | \$549.99

SPORT VISOR

Aggressive designed, twin-sheet HDPE sport visor complete with integrated driver and passenger inner storage pockets. Complete with integrated light switch knock outs. Can be used in conjunction with any windshield. Deluxe convertible roof, light track and lights not included.

715000762 | \$344.99

HALF WINDSHIELD

Designed for protection from wind and debris as well as optical clarity. Rugged, durable polycarbonate construction offers better impact resistance than acrylic windshields. Features reverse angle lip to deflect air flow. Non yellowing, non crazing, non cracking and UV resistant properties. Quick-attach brackets procure fast, easy and tool-less installation and removal.

715001653 | Clear | \$265.99

FULL WINDSHIELD

Designed for optical clarity and better impact resistance than acrylic windshields thanks to durable polycarbonate construction. Non yellowing, non crazing, non cracking and UV resistant properties. Quick-attach brackets procure fast, easy and tool-less installation and removal.

715001786 | Black | \$429.99

FULL WINDSHIELD (HARDCOATED)

Combines the utmost in protection from the elements with optical clarity while riding. Hardcoated polycarbonate material on both sides offers better impact and abrasion resistance, as well as prolonged protection against wear-and-tear for longer "like-new" look than acrylic windshields. Non yellowing, non crazing, non cracking and UV resistant properties. Quick-attach brackets procure fast, easy and tool-less installation and removal.

715001787 | Black | \$614.99

HALOGEN LIGHTS BY HELLA®

Delivers long range illumination. 3.25" clear glass lens and swivel mounting heavy-duty bracket provides compact design. Includes basic wiring and switch. Works in conjunction with halogen and/or HID lights separately or in combination without overloading your charging system. Sold in pack of 2.

715001383 | \$194.99

HID LIGHTS BY HELLA

Powerful HID long range illumination plug-and-play system converts night usage into virtually daytime riding. Integrated ballast unit with 3.25" clear glass lens and swivel mounting heavy-duty bracket provides compact design. Water and dust proof IP67 and IP6K9K. Highest electromagnetic compatibility rating. Peak light performance with just 35W. Luminous flux is 2.5 times higher than conventional halogen bulb with 35% less energy consumption. High vibration resistance. Constant light intensity. Includes basic wiring and switch. Works in conjunction with halogen and/or HID lights separately or in combination without overloading your charging system. Sold in pack of 2.

715001382 | \$1,029.99

LIGHT RACKS

Made of rugged aluminum. Essential protection for your accessory lighting systems. Works in conjunction with halogen and/or HID lights separately or in combination without overloading your charging system.

can-am

can-am.brp.com

Read the Side-by-Side vehicle (SSV) Operator's Guide and watch the Safety DVD before driving. For your safety, wear a helmet, eye protection and other protective gear. In your SSV, fasten lateral net and seat belt at all times. Operator must be at least 16 years old. Users should, however, respect any applicable law establishing a higher minimum age for riding an SSV. BRP urges you to "TREAD LIGHTLY" on public and private lands. Preserve your future riding opportunities by showing respect for the environment, local laws and the rights of others when you ride. Always ride responsibly and safely. BRP highly recommends that all SSV drivers take a training course. For safety and training information, see your authorized Can-Am dealer or, in the U.S.A., call the ATV Safety Institute at 1-800-887-2887. In Canada, call the Canadian Safety Council at 1-613-739-1535 ext. 227. SSVs can be hazardous to operate. Always remember that riding and alcohol/drugs don't mix. SSVs are for off-road use only. Never ride on paved surfaces or public roads. Never engage in stunt driving. Avoid excessive speeds and be particularly careful on difficult terrain. Racing scenes in this brochure were photographed during an organized race involving highly skilled operators under controlled conditions. Do not attempt. Make sure that all laws, regulations, and BRP's warnings/recommendations for SSV passengers are respected. Never carry a passenger under the age of 12. A passenger must be able to hold handgrips and to comfortably place both feet flat on the floorboard while seated upright. BRP reserves the right, at any time, to discontinue or change specifications, prices, designs, features, models or equipment without incurring obligation. Some models depicted herein may include optional equipment. Prices are based on Manufacturer Suggested Retail Prices. Dealers may sell for a different price. Taxes are not included.
